

MUSIC SUPPLEMENT TO LUTE NEWS 36 (DECEMBER 1995): IN DULCI JUBILO

In dulci jubilo, &c' Esaias Reusner (the elder), Musicalischer Lustgarten, Breslau 1645, p. 3
- copy in Gdansk. Thanks to Dick Hoban for bringing it to my attention.

An offering for the festive season - Reusner's arrangement of this still popular tune comes from his collection of complete solo lute psalm settings.
